present the

MEDITERRANEAN DISTRIBUTION CATALOGUE

We are pleased to announce the **16th edition** of the **MEDFILMFestival** that will be held in Rome from November 11th-21st at the **Casa del Cinema** and at the **Auditorium della Conciliazione**. This year's edition offers a *Grand Tour* of Mediterranean film from the shores of the Mediterranean to the boundaries of the new Europe in the search for emerging talents, established directors and new markets.

As part of their commitment to promote international dialogue, **MedFilmFestival** and **MEDIA Desk Italia** in collaboration with the **Roma Lazio Film Commission** and the **European network of MEDIA Desks and Antennae**, are working on the creation of a new and unique publication: the **MEDITERRANEAN DISTRIBUTION CATALOGUE**.

The **Mediterranean Distribution Catalogue**, which will be presented officially during the 3rd edition of the PROFESSIONAL DAYS FOR EURO-MEDITERRANEAN FILM, is a collection of useful information and updated data on Euro-Mediterranean distribution companies with a special appendix containing information on production companies of the southern shores. This is a useful reference tool that will increase awareness about, and traceability of, companies involved in the **distribution of films produced in the Mediterranean** or that, albeit being produced in other European countries, play an important role in increasing awareness about the Mediterranean.

During the PROFESSIONAL DAYS Media Desk Italia will present all the distribution related initiatives aimed at encouraging cooperation between European and non-European professionals, as well as the **networking events**, organized in collaboration with the Rome Lazio Film Commission, for the film professionals included in the catalogue.
